Men Need This Event!

We will be studying **the Life of Job** - A man that lost absolutely everything, and through it all learned the true meaning of patience. And though broken and defeated, he still found exceptional strength in his worship of the Lord God!

This study will help men by replacing their self-righteousness, and their self-sufficiencies as men, with godly character, integrity, and Biblical manhood - things sadly lacking in our world today!

What we will learn...

- **Job's Priorities** – having the right balances in life!
- **Job's Strengths** – his strength was in his faith and confidence in God, and in His word just as it was with Abraham, and with us!
- **Job's Integrity** – how to have and keep integrity. How to develop Character. How God develops character in a man. What integrity and character IS and what it DOES.
- **Job's Wife** – His relationship with her, and his ability to stay the course when she faltered
- **Job's Worship** – overcoming discouragement by the bended knee, and the broken will
- **Job's Friends - The value of real friendship**
- **Job's Enemies!** The warfare behind every fight!
- **Job's Patience** – real men learn to wait on God
