

Men's Spiritual Retreat 2006

Jonah...

Is God's Will

Worth it?

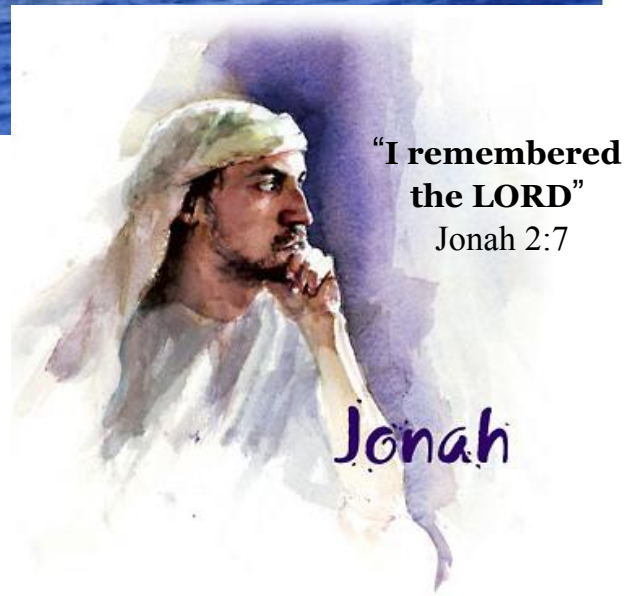

This is an invitation for Men, young and old to come to our annual Men's Retreat that we hold every year in Killarney, Co. Kerry. It is a get-away like no other!

This year's Meeting will be held from Thursday evening through Saturday morning (20-22nd April), and it costs just €30 for everything!

The theme this year is the **Study of the Life of Jonah**. A man that struggled with anger, bitterness, obedience to God's word, and the concepts of the grace and mercy of God. Here was a man that converted a boat-load of sailors, and ultimately changed an entire pagan nation (Assyria) - and yet wanted to die. God has some incredibly powerful lessons for us men to apply to our lives today!

Make plans to attend this life-changing event that includes fellowship, great preaching, awesome singing, prayer times, and great food! Weather permitting, there will even be mountain climbing, sports and hopefully a chance to witness for the Lord! Bring your Bible, and come hungry!

Don't miss this year's Men's Retreat!
