

He's Still Working On Me

Chorus

He's still a working on me!
To make me what I ought to be!
It took Him just a week
to make the Moon and the stars
The sun and the earth
and Jupiter and Mars
How loving and patient He must be
'Cause He's still working on me!

Now there really ought to be
a sign upon my heart
Don't judge me now
There's an unfinished part!
But I'll be perfect
just according to His plan
I'm fashioned by
the Master's loving hands

**The mirror of His word
Reflections that I see
They make me wonder why
He never gave up on me
But He loves me as I am
and He helps me when I pray
Remember He's the potter
and I'm the clay!**
